TIP

You can record a sticky note and fill the small section or scratch it off to start drawing

VALARMATHI S

Wastes cause pollution on land water and air

Proper management of waste is important to reduce pollution

UMADEVI RP

People need to separate the waste

More the people more waste

SAKTHI V

The amount of wastes increase due to the high pollution

There is no need to check each and every dustbins check only message received dustbins

SATHIYA D

It prevents human health and environment from harm

It send the messages directly to the municiple system so the time is saved

It senses all types of waste materials

With the help of technology we can guide the truck to choose the dustbin

3

Group ideas
Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than 5 x 6 sticky notes, try and see if you can break it up into smaller sub-groups.
